

Guymon High School

"Alumni Court" & Memorial Wall

Brian Curtis (Class of 1997) designed the "Alumni Court" and Memorial Wall Project to help beautify the high school campus and to provide a place of honor for our fallen heroes and classmates. To pay for the construction of the project, the Alumni Court Committee will be seeking donations and honoring donors with their name on a permanent plaque(s). Donor bricks are also available. Bricks will be used in the courtyard area so that, in the years to come, students, alumni, and friends will be able to visit the site to see a permanent legacy of their connection to Guymon High School. The Memorial Wall (as shown in the artist rendering above) will be built and will be a site for memorial plaques to honor fallen veterans.
